When your stomach cannot do its work properly, take something to help your stomach. Kodol is the only thing that will give the stomach complete rest.

Why? Because Kodol does the same work as a strong stomach, and does it in a natural way.

NEAR DEATH IN BIG POND.

It was a thrilling experience to Mrs. Ida Soper to face death. "For years a severe lung trouble gave me intense suffering," she writes, "and several times nearly caused my death. All remedies failed and doctors said I was incurable. Then Dr. King's New Discovery brought quick relief and a cure so permanent, that I have not been troubled in twelve years." Mrs. Soper lives in Big Pond, Pa. It works wonders in Coughs and Colds, Sore Lungs, Hemorrhages, LaGrippe, Asthma, Croup, Whooping Cough and all Bronchial affections. 50c and \$1.00. C. C. WILLIAMS INTERESTED
IN GOODS ROADS.

TO THE EDITOR OF THE MT.
VERNON SIGNAL:

Every citizen should be interested in the Good Road movement. Rockcastle county is greatly in need of better high ways; the traveling public demand it; farmers require it to haul their products of the soil to market. Good roads mean much saving to wagons horses and drivers; much saving of time and money. Good roads mean higher education among our people, more money, better business facilities and quicker means of prosperity; the people should work without ceasing to this end. The Fiscal Court should constantly strive to build up and improve our high-ways, and thereby elevate our county.

Give us good roads and the benefits arising therefrom will be innumerable. The old man in his infirmities can then easily come in contact with his friends and neighbors; it will extract from the limbs of age the jostle and pain of travel; it will soothe the wrinkled brow and lighten the heavy heart. It will rob age of its sting and call back the departed years of youth.

It means much to the pleasures of youth, and what is life without some of its pleasures? It will inspire the youth to higher, better and nobler things; it will bring him in contact with thoughts other than his own. It will shorten the road to the home of "Mary Jane."

The benefits to business and material prosperity cannot be overestimated. The husband would plow the soil and cultivate its products, and the good wife would bring the butter, eggs and the works of her ready hands, in her buggy, to the merchant; the merchant would have better wares, and the customers would have better clothes. Build a good road by your home and the spirit of enterprise will inspire you to greater exertion; the old log house will give way to a frame, and the frame possibly to a brick. The dilapidated fence will be torn down and a good one take its place. The briars, bushes and brambles in the fence corners will disappear; the rocks will be taken from the furrowed field; two blades of grass will grow where one grew before. The strong right arm will strike a harder blow for the wife and little ones around you. The heart will be more determined to have some of the comforts and pleasures of life.

The towns in Rockcastle county are now setting a splendid example for the county, by grading, macadamizing and greatly improving their streets. The most profitable thing a county can possibly have, is good roads; they can pay the greatest dividend to all the people.

A bond issue would not be an unwise thing. Should bonds be issued, the moneyed men of our county would buy the bonds, the money would fall into the hands of the laboring men, our people would then have both the good roads and the money. Let us be "up and doing!"

Your truly,
C. C. WILLIAMS.

E. R. GENTRY

I wish to say to the Republican voters of the county that I have given up my studies, for the present, in the interest of my candidacy for Superintendent of Schools and expect to make the most vigorous canvass possible for the nomination. I intend to spend my whole time between now and the primary in becoming personally acquainted with the people. If I am the man for this place I want you to know it and I want to ask you to vote accordingly. This is a very important office and we need, not only a man of ability and qualification; but a man who is wide-awake, energetic and has the interest of the schools at heart.

I have had several years experience as teacher and have always taken an active part in school work. I feel that I am fully capable of looking to the best interest of the schools of Rockcastle county for the next four years. I want to meet every voter in the county between now and the primary.

Very truly,
E. R. GENTRY.

THE Fiscal Court of Christian county has resisted the request of the County School Board of that county to impose the tax levy for schools under the new law passed by the last Legislature. The school board has brought suit, which will eventually go to the Court of Appeals. The outcome will be watched with interest all over the State. It might have been expected that Christian would do something of that kind. "Night riders" and education are not very closely allied and since the good county of Christian furnished more than its quota of "night riders" it is not surprising that such hindrance to education would find its home in that county.

We live by our blood, and on it. We thrive or starve, as our blood is rich or poor. There is nothing else to live on or by. When strength is full and spirits high we are being refreshed—bone, muscle and brain, in body and mind—with continual flow of rich blood. This is health.

When weak, in low spirits, no cheer, no spring, when rest is not rest and sleep is not sleep, we are starved; our blood is poor; there is little nutriment in it.

Mt. Vernon is not what we call a "boom town" but it is one of the fastest growing towns in Kentucky and in a very few years will be one of the best towns in the State. We have already some of the best stores in this section. Most anything needed can be found here, you do not have to send to the big mail order houses for your goods. Take a look around town and you will patronize your home merchants. Read the advertisements and spend your money at home and you may get this same money in your pockets again soon, while if you send it away you are hurting yourself as well as your home merchant and bank. Think it over.

Jones McKenzie exchanged 40 acres of land near the corporate limits of Mt. Vernon to Rev. C. C. Metcalf for his farm near Maretburg known as the S. H. Martin farm. Mr. McKenzie paid a difference of about \$1400.

This has been a week for moving in Mt. Vernon. Mrs. Anna E. Miller moved to the W. T. Smith property, also moved the post office to same building. Dr. Dyche moved to property vacated by Mrs. Miller, having purchased the same from W. J. Sparks. Mrs. Annie Shumate moved to Brodhead and W. T. Smith occupies building which she vacated.

The death of Mrs. Elizabeth Lawrence which occurred last Friday was very sudden and came as a great shock. She had been sick less than a week. She was at the home of her son J. J. Lawrence where she had been since her home was destroyed by fire less than a month ago. Her remains were taken to the family burying ground near Level Green for interment.

Her serious misfortune, in losing her home, house-hold effects and about \$100 in money, together with the infirmities of old age, no doubt had much to do with her early and comparatively sudden demise.

STOMACH DISTRESS.

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of Indigestion or Stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a sour stomach in five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or it you have heartburn, that is a sign of Indigestion.

Ask your Pharmacist for a certain case of Pape's Diapepsin and take one triangle after supper to night. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, Nausea, Debilitating Headaches Dizziness or Intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for all stomach misery, because it will take hold of your food and digest it just the same as if your stomach wasn't there.

Actual prompt relief for all your stomach misery is at your Pharmacist, waiting for you.

These large 50-cent cases contain more than sufficient to cure a case of Dispepsia or Indigestion.
